

Guidelines for Red Light/Green Light

In order to promote a more enriching and loving sharing of fellowship at the Red Light/Green Light sessions North Florida Area suggests the following:

Selection Process

Group Representatives ask their groups for topics and bring them to the District meeting. At the District meeting, GR's vote on one topic. District Representatives bring one topic to the Area World Service Committee meeting. Those topics are turned into the North Florida Area Alternate Delegate during the morning session on Saturday. Before the close of session on Saturday, the Alternate Delegate and the chairperson for the next Red Light/ Green Light session will review the topics, combining questions as appropriate. If that review produces more than 3 topics, a vote of AWSC will determine the top 3.

At the AWSC meeting, 3 Districts volunteer to each take a topic, research it, and present it at the Red Light/Green Light meeting at the Assembly.

Those topics will be published in the next issue of The Legacy and posted on the North Florida web-site, as well as distributed by the DR's to their GR's prior to Assembly.

After Assembly, research data (not opinions) will be published in the following issue of The Legacy and posted on the North Florida web-site.

Session Process

1. We ask that everyone attending the session review the topics and choose one or two as his/her personal priority choices and limit his/her sharing to them. In this way everyone will have an opportunity to share and no one person will monopolize.
2. Because no topic is more or less important than another, each will be limited to no more than 15 minutes.
3. The member who researched the topic will keep his/her presentation to a maximum of 5 minutes.
4. We ask that if what you have to share has already been said, that you choose another topic.
5. Individual sharings will be limited to 2 minutes. A red stop sign will go up and the next person can proceed to the mike. A timer will assist.
6. We ask that everyone come to the mike to share.
7. We ask that Tradition 12, "principles above personalities" and Concept 4, "participation is the key to harmony" be our guide.
8. We ask that when you enter or leave the room you do so quietly. Please respect one another by your silence during sharing.
