

What is Al-Anon?

The Al-Anon Family Groups are a fellowship of relatives and friends of alcoholics who share our experience, We believe alcoholism is a family illness and that changed attitudes can aid recovery.

Al-Anon is not allied with any sect, denomination, political entity, organization, or institution; does not engage in any controversy, neither endorses nor opposes any cause. There are no dues for membership. Al-Anon is self-supporting through its own voluntary contributions.

Al-Anon has but one purpose: to help families of alcoholics. We do this by practicing the Twelve Steps, by welcoming and giving comfort to families of alcoholics, and by giving understanding and encouragement to the alcoholic.

Al-Anon Declaration

*Let It Begin with Me -
When anyone, anywhere, reaches out for help,
let the hand of Al-Anon and Alateen always be
there, and
Let It Begin with Me.*

AL-ANON'S GUIDING PRINCIPLES

THE TWELVE STEPS

Study of these Steps is essential to progress in the Al-Anon program. The principles they embody are universal, applicable to everyone, whatever his personal creed. In Al-Anon, we strive for an ever-deeper understanding of these Steps and pray for the wisdom to apply them to our lives.

- 1. We admitted we were powerless over alcohol - that our lives had become unmanageable.*
- 2. Came to believe that a power greater than ourselves could restore us to sanity.*
- 3. Made a decision to turn our will and our lives over to the care of God as we understood Him.*
- 4. Made a searching and fearless moral inventory of ourselves.*
- 5. Admitted to God, to ourselves and to another human being the exact nature of our wrongs.*
- 6. Were entirely ready to have God remove all these defects of character.*
- 7. Humbly asked Him to remove our shortcomings.*
- 8. Made a list of all persons we had harmed and became willing to make amends to them all.*
- 9. Made direct amends to such people wherever possible, except when to do so would injure them or others.*
- 10. Continued to take personal inventory, and when we were wrong, promptly admitted it.*
- 11. Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.*
- 12. Having had a spiritual awakening as the result of these Steps, we tried to carry this message to others and to practice these principles in all our affairs.*

For more info on finding the other two guiding principles, **'The Twelve Traditions'** and **'The Twelve Concepts of Service'**, please visit:
