From our District Representative Heather D.

I want to express my gratitude for those who have stood and great appreciation to everyone who stuck around to the end for the election and selection of our Panel 67 members! Sometimes the process can be a long one but there is a method to the way it has evolved. If anyone ever has questions about why we do the things we do, or maybe has suggestions on ways to improve, we are all in this together and no one person is in charge. We, or I am certainly, open to modifying and growing!

That being said, if you have ideas about how to do things differently, now is the time to get on board! We have several positions on District 7's Panel 67(officers and chairpersons) remaining open. We are in need of the following-

Officers: Need to have 3 years as a Group Rep- (Not consecutively)

District Representative(DR)

District Information Services Liaison(DISL)

Literature Distribution Center Chair(LDC)

Without officers there will be no one to head up the District, to relay service and fellowship opportunities, and demonstrate the practical application of our 3 legacies through learning opportunities such as funshops, and events. Without an LDC we will not have literature to sell to our fellowship locally which benefits our district's members in their recovery as well as being of financial benefit to D7. Which in turn, impacts our ability to spread the message through outreach. Without a DISL there would be no one to help the Chairpersons navigate their duties as they spread the message to friends and families of alcoholics and we would also miss out on a vote at Area World Service Committee.

Open Chair Positions: Need only be willing.

When & Where

All of these remain open and in need of volunteers. Without many hands to keep the District moving, varying aspects of outreach suffer. We are a team and no one person can do it all. I hope we can all continue to share the benefits we have found through our participation in service as we encourage those who may stand. If you are on the fence about taking on a position, it has been helpful for me to remember; we do everything one day at a time and if it ever became too much, or life changes, we can pass it on to the next person. We are appreciative of what anyone is capable of doing in service!

Thank you for listening and please share this at your meetings. If you would like to, you may print and read it. It is an appeal to participate! Please direct our interested friends to the Guidelines for duties and responsibilities of each position. https://d7afg.org/wp-content/uploads/2026/07/1_July-2026-District-7-Service-Positions-Guidelines-ADOPTED-1.pdf

Again if you have any questions or concerns, I am here.

Forever grateful to be of service,
Heather D
District 7 Representative, Panel 64

I "get to " do this, one day at a time.
